## BENNINGTON COLLEGE

Bennington, Vermont

If you like them beat, Bennington is the place to go. Sandals and guitars are year-round attire, and civilization is only classroom theory. However, regulations are liberal and New York nearby.

It is better to just arrive, but, if you need to call, the college switchboard is open until 11:00. The number is 442-5401.

### **BRADFORD COLLEGE**

Bradford, Massachusetts

Bradford is one of those junior colleges which manages to produce something besides secretaries. However, there is about as much to do in downtown Haverhill as there is in downtown Haverhill. Stop in on the way to Boston to make contacts then ask them up to Dartmouth.

The switchboard closes at 10:30 weekdays and Sundays, 11:00 on Fridays, and 12:00 on Saturdays. Call 372-7161.

## COLBY JUNIOR COLLEGE

New London, New Hampshire

The Colby date is practically a Dartmouth tradition, and though not a hallowed one it is certainly an active one as the Saturday afternoon crowds on the steps of Webster attest. Road trips to New London can also be rewarding, and the Barn is usually filled to capacity all four nights of the weekend.

Call Colby Junior College 526-2020 any time before 11:00 P.M. and ask for dorm extensions.

**GREEN MOUNTAIN  
JUNIOR COLLEGE**  
Poultney, Vermont

Well known at Dartmouth by a more familiar name, Green Mountain has long been a favorite for road trips. Eagle-eyed house mothers and strict signout regulations can cramp your style, but an evening at The Manor should be worth the trouble.

Call individual houses before 10:30.

## RADCLIFFE COLLEGE

Cambridge, Massachusetts

Cliffies are usually inextricably entwined with Harvard, but occasionally they escape and let down their hair. If you can find one she might be worth the try.

Not missing pages 114-115,  
mistaken pagination

**SIMMONS COLLEGE**  
Boston, Massachusetts

Few reports on Simmons have come into our office, but what we've heard has been good. On the strength of these we recommend that you do some reconnaissance on your next Boston road trip. Any reports would be appreciation at the Aegis office.

**SKIDMORE COLLEGE**  
Saratoga Springs, New York

To quote last year's Green Book, "Skidmore has been referred to as a girls' Dartmouth, right down to the last glass of beer and the last undone assignments." D'Andrea's and its counterparts have made Saratoga Springs justly famous, and a Skidmore trip can't help but be successful.

Call the college operator at 584-5400 before 11:30.

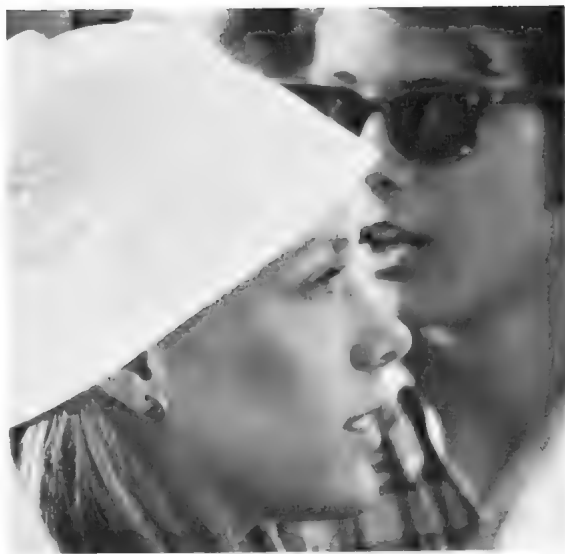

## SMITH COLLEGE

Northampton, Massachusetts

Smith is the largest women's college, and so you can find just about anything there. Everyone should be able to find someone to his taste and still leave something for the Amherst boys. In addition the downtown offers refreshment to the fast talker.

Call 584-2700 and ask for dorm extensions.

## VASSAR COLLEGE

Poughkeepsie, New York

There's no mistaking it, the trip to Vassar is one hell of a haul. However, Vassar's fame for plentiful pulchritude is well justified, and if you want to really get away from it all, here is your answer.

Dorm phones are:

Alumnae House	454-2300
Cushing House	454-9139
Davison House	454-9184
Ferry Cooperative House	454-8898
Jewett House	454-9177
Josselyn House	454-9107
Lathrop House	454-9167
Noyes House	454-9511
Raymond House	454-9187
Strong House	454-9156

## VERMONT COLLEGE

Montpelier, Vermont

Vermont College is located in Montpelier, Vt. and as such escapes some of the deadliness of the small junior college. It is popular for off weekend road trips and the girls are glad from the boys of the Norwich Military Academy (Yes, Virginia, there is such a college).

The phone numbers are:

Bishop Hatch	223-9097
Dewey	223-2461
Noble	223-9083
North	223-9069
South	223-9033
West	223-9045

# **WELLESLEY COLLEGE** Wellesley, Massachusetts

Wellesley dates can be excellent, but contacts should be made in advance. Go to one of their many mixers held by the college or by individual dorms throughout the first half of the fall term. Combine this with some other Boston hot spots and make a weekend of it.

The phone numbers are:

Bates	235-9735
Beebe	235-9660
Cazenove	235-9750
Clafin	235-9640
Davis	235-9740
Freeman	235-9727
McAfee	235-9623
Munger	235-9731
Pomeroy	235-9673
Severance	235-9663
Shafer	235-9642
Stone	235-9644
Tower Court East	235-9722
Tower Court West	235-9620

**WHEATON COLLEGE**  
Norton, Massachusetts

A Wheaton road trip is a weekend long proposition, but we have it on good authority that lodging can be had cheaply and the girls should be well worth the trip. Entertainment possibilities are an unknown quantity.

## RESPONSIBILITY . . .

. . . the most important lesson family and college can teach. Whether it be business or a profession, responsibility is the criterion by which successful men are judged. Financial responsibility is one important aspect of your college life. Learn this important responsibility now and you have learned it for the rest of your life. Let us at the Dartmouth National Bank help you learn the lessons of financial responsibility.
